

Gakyil Candidates for Sept 12th, 2021 Community Meeting & Election

India Lehr-Farrier: Candidate for Blue member of Gakyil:

My name is India Lehr-Farrier. I grew up within the Dzogchen Community. My mother, Tana Lehr, has been a practitioner of Chögyal Namkahi Norbu's Lineage since I was 8 years old. At about age 22 I fully realized Norbu to be my root teacher and this practice to be my life's path. Khandroling is my true home and I will serve in all ways possible until I die.

Wayne Bianucci: Candidate for Red member of Gakyil:

Hi, My name is Wayne Bianucci. I've been in the community since 2015. I believe in what Rimpoche tried to teach us, that we can look after each other and try and create a new paradigm, one that doesn't always have a "me" involved but with a spirit of collaboration. I believe that Khandroling is a place of supreme importance, having the only universal dance mandala in the world (and with a protective structure that was beautifully designed and made) and if I can help support that in any way it's my responsibility to do so, which is why I wanted to join the Red Gakyil.
