-Joe wrote and offered to pay to repair ruts on his property that lead to the dark cabin. He has requested financial assistance for that. His estimate is \$510.00.

-Dave will get a guesstimate to provide water up to the Togonal cabin. This needs to be addressed before the retreat. Bret will look into options for fixing ruts in that road.

Initially thought this would be for booking accommodations, Nancy suggested that they need to assess the interaction with the current online banking and paypal operations on the website.
