

Gerard's statement:

I am writing for your consideration in becoming a member of the Yellow Gaykil. My professional experience in the management of budgets came as the Director of a 24 x 7 ICU/Step Down Telemetry Unit and an Out Patient Cardiac Rehab Unit for 5 years. The budget included wages for 23 FTE's supplies medical equipment and future capital needs. I was also responsible for surveys from the Ma Department of Public Health as well as the Joint Commission on the Accreditation of Hospitals. Also responded to any complaints made about or against professional practice of my staff and annually evaluated their practice. I have either participated in retreats, participated in their operation or have been a member of Tsegyalgar East for 25 years. Was a member of the red gaykil about 20 years ago. At that time you were presented to Rinpoche for his approval. He shook my hand gave me that look in the eye and told me that there were no limitations upon practice. Thank you for your consideration.
